Completion of Acquisition or Disposition of Assets.

As previously disclosed, on January 21, 2021, Naked Brands Group Limited (the “Company”) announced its plans to undertake a transformative restructure in which it will dispose of its bricks-and-mortar operations in order to focus exclusively on its e-commerce business. To that end, the Company signed a non-binding and non-exclusive term sheet to divest itself of its Bendon Limited (“Bendon”) subsidiary, to a group composed of existing management of the Company, including Justin Davis-Rice, the Executive Chairman and Chief Executive Officer of the Company, and Anna Johnson, the Chief Executive Officer of Bendon.

Upon approval of the Company’s shareholders as described below under “*Submission of Matters to a Vote of Security Holders*,” the Company entered into a conditional share sale agreement (the “Bendon Share Sale Agreement”) for the sale of all of the issued share capital in Bendon (the “Transaction”) to JADR Holdings Pty Limited as trustee for the JDR Family Trust No 2, an entity affiliated with Mr. Davis-Rice (the “Davis-Rice Buyer”), and Matana Intimates Holdings Trustee Limited as trustee for the Matana Intimates Holding Trust, an entity affiliated with Ms. Johnson (the “Johnson Buyer,” and together, the “Buyers”).

The material terms of the Bendon Share Sale Agreement are set out below. The Bendon Share Sale Agreement is otherwise on terms that are customary for a management buy-out agreement of this nature including the provision by the Buyer of ‘reverse warranties’ in favor of the Company.

The Bendon Share Sale Agreement

The key terms of the Bendon Share Sale Agreement are as follows:

Agreement to buy and sell Bendon. Pursuant to the Bendon Share Sale Agreement, the Company sold all of the issued share capital in Bendon together with any accrued rights free from encumbrances for the consideration described in below on the terms and conditions set out in the Bendon Share Sale Agreement. The Transaction will have an economic close of January 31, 2021 (the “Accounts Date”) notwithstanding that closing of the Transaction (the “Completion”) occurred on April 30, 2021.

Because the Buyers are related parties of the Company, the Company adopted strict governance and information protocols to ensure independent consideration and assessment of the Buyers’ proposal and the Bendon Share Sale Agreement. The independent directors of the Company formed an independent committee of the board of directors of the Company, which considered, on behalf of the Company, the Transaction. The consideration paid for the share capital of Bendon was determined through negotiations between the independent committee and the Buyers.

Consideration. The consideration paid by the Buyers was NZ\$1.00 as adjusted based on the target inventory amount of NZ\$18.2 million and by a true up adjustment for estimated Net Cash/(Debt) and Working Capital as at the Accounts Date. The inventory adjustment resulted in a payment by the Company to Bendon in the amount of NZ\$4.8 million. The Net Cash/(Debt) and Working Capital adjustments are to be prepared within 30 business days after Completion.

Exit Event Proceeds. If the Buyers or Mr. Davis-Rice and Ms. Johnson agree to sell the shares in Bendon or its business within three years following closing of the Transaction (the “Completion”), the Company will be entitled to the following percentage of the net proceeds of the sale:

- in the first year following Completion, 75%;
-

- in the second year following Completion, 50%; and
- in the third year following Completion, 25%.

Profit share. The Company is entitled to a tiered percentage of net profits of Bendon and the entities controlled by Bendon (the “Bendon Group”) for three years commencing on July 1, 2021, being in:

- the first year, 30%;
- the second year, 20%; and
- the third year, 10%.

The net profits are to be calculated on a cumulative basis so that any losses from the first or second year are offset against any profits in a subsequent year.

FOH Services Agreement. FOH Online Corp. (“FOH Online”), the Company’s wholly owned subsidiary, entered into a management services agreement (the “FOH Services Agreement”) with Bendon pursuant to which Bendon will provide the management services summarized further under “—*FOH Services Agreement*” below.

Forgiveness of the Intra Group Loans. The Company forgave all inter-company debt owing by the Bendon Group to the Company and its subsidiaries other than the Bendon Group effective as of January 30, 2021 (which is approximately NZ\$40.4 million).

Naked Facility. The Company will provide Bendon with a 5 year loan of up to NZ\$7 million (the “Naked Facility”) at an initial interest rate per annum of 5% and, following Bendon obtaining additional external senior debt which the Buyers and Bendon are proposing to raise after Completion, an interest rate of 50 basis points above the rate of this senior debt. The Naked Facility will also be subordinated to this senior debt. See “—*Naked Facility*” below.

Ms. Johnson’s employee entitlements. The Company will, to the extent permissible under the relevant rules, pay out or settle in cash, all of Ms Johnson’s: (a) accrued remuneration; and (b) share incentive entitlements, up to the Accounts Date.

Warranties and indemnities. The Company has agreed to provide warranties relating to title, authority and capacity along with associated indemnities for a breach in favor of the Buyers. Given the nature of the management buyout, the Buyers have agreed to provide market standard ‘reverse warranties’ in favor of the Company arising from their intimate knowledge of the Bendon Group business.

Costs. The Company has agreed to pay up to NZ\$300,000 of the Buyers’ and Bendon’s costs in relation to the Transaction, which was agreed in exchange for the Buyers’ agreeing for the term sheet to be entered into on a non-exclusive basis.

Guarantee. Mr. Davis-Rice and Ms. Johnson guarantee certain obligations under the Bendon Share Sale Agreement with the balance being guaranteed post completion by Bendon.

FOH Services Agreement

In the current structure, Bendon performs certain services in relation to the FOH Online e-commerce business including revenue and financial reporting, product design, inventory management, freight and logistics management, website management, customer service, marketing and IT support (the “Bendon Services”).

As part of the Proposed Transaction, so that the Company can continue to operate FOH Online using the existing e-commerce model, operating and management structure without having to immediately construct a standalone infrastructure, a 5 year management services agreement was entered between FOH Online and Bendon. Under this agreement, Bendon will provide certain management services to FOH Online and FOH Online will reimburse Bendon for all direct and reasonable costs incurred in the performance of these services as agreed in annual budget as well as a 5% administration fee based on monthly sales. The 5% administration fee is to cover the actual costs of services performed by Bendon personnel.

The other key terms of the FOH Services Agreement are as follows:

- FOH Online may terminate for convenience by 3 months' notice;
- Bendon may not terminate for convenience; and
- there are no exclusivity restrictions on either party.

Other than the terms outlined above, the FOH Services Agreement is on terms customary for an agreement of this nature.

Naked Facility

As part of the Transaction, the Company entered into a facility agreement (the "Facility Agreement") for the Naked Facility. Under the Naked Facility, the Company will advance to Bendon an amount of up to NZ\$7 million which will be guaranteed by the Australian and New Zealand entities in the Bendon Group and secured by all-asset security over their assets. No advances have been made as of the date of this report.

The Company has agreed that the Naked Facility will be subordinated to an additional loan which Bendon will be seeking from a third party lender, following Completion (the "Senior Debt"). Until such time as the Senior Debt has been obtained, the interest payable on the Naked Facility will be charged at a fixed rate of 5%. Following Bendon obtaining the Senior Debt, the interest rate will change to the rate that is 50 basis points higher than the rate agreed under the Senior Debt.

The loan has a fixed term of 5 years which may be repaid early in accordance with the Facility Agreement but may not be redrawn by Bendon.

Standard default provisions apply under the Facility Agreement if Bendon or its guarantors fails to repay or observe the terms of the Facility Agreement.

Consulting Agreement with Mr. Davis-Rice

In connection with the Completion, JADR Consulting Group Pty Ltd, an entity controlled by Mr. Davis-Rice ("JADR Consulting"), and the Company entered into a consultant service agreement (the "Consultant Agreement"), pursuant to which JADR Consulting agreed to make Mr. Davis-Rice available to serve as Chief Executive Officer and Chairman of the Company. The Consultant Agreement has a term of 2 years. On the date 12 months prior to the end of the existing term, the Consultant Agreement will be automatically extended by a further 2 years unless prior to such date either party gives written notice to the other party that the term will not be extended.

As compensation for the services, the Company will pay JADR Consulting US\$500,000 per year. JADR Consulting also may be awarded bonuses as agreed with the board of directors of the Company from time to time. The Company also will reimburse JADR Consulting for expenses reasonably incurred in connection with the services.

Either party may immediately terminate the Consultant Agreement if the other party material breaches the Consultant Agreement and the breach is not curable or is not cured within 10 business days' after written notice. The Company may terminate the Consultant Agreement at any time, without cause, on 12 months' written notice (in lieu of all or part of the notice period, the Company may pay JADR Consulting the fees owed during the remainder of such notice period). In addition, either party may terminate the Consultant Agreement upon the insolvency of the other party.

The Consultant Agreement includes provisions vesting in the Company all rights to any intellectual property created in connection with the services and protecting the Company's confidential information.

Submission of Matters to a Vote of Security Holders.

As previously disclosed, at 10:00 a.m. Sydney time on April 23, 2021 (8:00 p.m. New York time on April 22, 2021), the Company held an Extraordinary General Meeting of Shareholders (the "EGM"). Under the Company's constitution and Australian law, a quorum was present. The sole item of business presented to the shareholders at the EGM was the consideration of an ordinary resolution to approve the giving of financial benefits to related parties of the Company (Mr. Davis-Rice and Ms. Johnson) in connection with the Transaction. The preliminary tabulation of the votes cast for and against the proposal was previously disclosed in a Report of Foreign Private Issuer on Form 6-K filed on April 23, 2021.

The final tabulation of votes cast for and against the proposal, as well as the number of abstentions and broker non-votes with respect to the proposal, is as follows:

On April 30, 2021, the Company issued a press release announcing the final tabulation of votes from the EGM, the signing of the Sale Agreement and the closing of the Transaction. The press release is attached to this report as an exhibit and is incorporated herein by reference.

- (f) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (g) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security;
- (h) any set off, combination of accounts or counterclaim;
- (i) any insolvency or similar proceedings; or
- (j) this agreement or any other Finance Document not being executed by or binding against any other Obligor or any other party.

References in clause 14.1 to obligations of the Borrower or amounts due will include what would have been obligations or amounts due but for any of the above, as well as obligations and amounts due which result from any of the above.

14.5 Immediate recourse

Each Guarantor waives any right it may have of first requiring the Lender (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this clause 14. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

14.6 Appropriations

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, the Lender (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received or recovered (by set off or otherwise) by the Lender (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and each Guarantor will not be entitled to the benefit of the same; and
- (b) without limiting paragraph (a), refrain from applying any moneys received or recovered (by set off or otherwise) from a Guarantor or on account of a Guarantor's liability under this clause 14 in discharge of that liability and claim or prove against anyone in respect of the full amount owing by the Obligors.

14.7 Deferral of Guarantors' rights

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Lender otherwise directs, each Guarantor may not exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this clause 14:

- (a) to be indemnified by the Borrower;
- (b) to claim any contribution from any other guarantor of or provider of security for any Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Lender under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by the Lender;
- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which a Guarantor has given a guarantee, undertaking and indemnity under clause 14.1;
- (e) to exercise any right of set-off against any Obligor;
- (f) to claim or prove as a creditor of any Obligor in competition with the Lender; and/or
- (g) in any form of administration of an Obligor (including liquidation, winding up, bankruptcy, voluntary administration, dissolution or receivership or any analogous process) prove for or claim, or exercise any vote or other rights in respect of, any indebtedness of any nature owed to it by the Obligor.

If a Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Lender by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Lender and shall promptly pay or transfer the same to the Lender or as the Lender may direct for application in accordance with clause 8.

14.8 Additional security

This guarantee, undertaking and indemnity is in addition to and is not in any way prejudiced by any other guarantee, undertaking and indemnity or security now or subsequently held by the Lender.

15. Indemnity

The Borrower indemnifies the Lender against, and must reimburse the Lender on demand for, all Claims or Liabilities incurred by the Lender resulting directly or indirectly from any default in payment of any amount due by the Borrower under this agreement or under the General Security Deed, including any principal, interest or costs, or arising out of or resulting from any other Default Event.

16. Costs

The Borrower indemnifies the Lender against and must reimburse the Lender on demand for, all Claims or Liabilities incurred by the Lender at any time in connection with:

- (a) any amendment to or any consent, claim, demand or waiver given or made under, this agreement or the General Security Deed;
- (b) the rectification of any breach or default by an Obligor under a Finance Document;
- (c) any protection of the General Security Deed and/or Secured Property or legal right, title or interest of an Obligor or the Lender;
- (d) the engagement of any agent by the Lender at any time while a Default Event is subsisting under any provision in or in connection with the General Security Deed or the Secured Property; and/or
- (e) any exercise or enforcement of any right conferred on the Lender by this agreement or the General Security Deed or by law.

17. Senior Facility

17.1 Priority and subordination arrangements

The Lender acknowledges that it is proposed that:

- (a) a senior debt facility of up to \$9,000,000 (the **Senior Facility**) will be made available to one or more of the Obligors by one or more third party lenders (together, the **Senior Lender**);
- (b) the Senior Facility will be guaranteed by some or all of the Obligors;
- (c) the facility made available under this agreement will be subordinated to the Senior Facility on terms satisfactory to the Senior Lender and the Lender (acting reasonably);
- (d) the Senior Facility will be secured by security granted by some or all of the Obligors (the **Senior Security**); and
- (e) the Senior Security will rank in priority to the General Security Deed on terms satisfactory to the Senior Lender and the Lender (acting reasonably).

17.2 Priority and Subordination Deed

The Lender agrees that, at the time the Senior Facility is put in place, it will:

- (a) enter into documentation satisfactory to it (acting reasonably) and the Senior Lender (together, the **Priority and Subordination Deed**) to give effect to the priority and subordination arrangements contemplated by clause 16.1; and
- (b) do anything else that the Senior Lender may reasonably require to give effect to those arrangements.

18. General provisions

18.1 GST

- (a) If GST is payable by a supplier (or by the representative member for a GST group of which the supplier is a member) on any supply made under or in relation to this agreement, the recipient must pay to the supplier an amount (**GST Amount**) equal to the GST payable on the supply. The GST Amount is payable by the recipient in addition to and at the same time as the net consideration for the supply.
- (b) If a party is required to make any payment or reimbursement, that payment or reimbursement must be reduced by the amount of any input tax credits or reduced input tax credits to which the other party (or the representative member for a GST group of which it is a member) is entitled for any acquisition relating to that payment or reimbursement.
- (c) This clause is subject to any other specific agreement regarding the payment of GST on supplies.

18.2 Duties

- (a) The Borrower must promptly within the initial applicable period prescribed by law pay any duty payable in relation to the execution, performance and registration of this agreement, or any agreement or document executed or effected under this agreement including the General Security Deed.
- (b) The Borrower must indemnify the Lender against any loss incurred by the Lender in relation to any duty specified in this provision, whether through default by the Borrower under this provision or otherwise.

18.3 Currency indemnity

- (a) If any sum due from an Obligor under the Finance Documents (a **Sum**), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the **First Currency**) in which that Sum is payable into another currency (the **Second Currency**) for the purpose of:
 - (i) making or filing a claim or proof against that Obligor;
 - (ii) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

that Obligor shall as an independent obligation, within three Business Days of demand, indemnify the Lender against any cost, expense, loss or liability arising out of or as a result of the conversion including any discrepancy between:

- (A) the rate of exchange used to convert that Sum from the First Currency into the Second Currency; and
- (B) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

- (b) Each Obligor waives any right it may have in any jurisdiction to pay any amount under the Finance Documents in a currency or currency unit other than that in which it is expressed to be payable.

18.4 Assignment

No Obligor may transfer or assign any right or liability under any Finance Document to which it is a party and any document or agreement entered into or provided under or in connection with any Finance Document without the prior consent of the Lender. The Lender may transfer or assign its rights under any Finance Document and any document or agreement entered into or provided under or in connection with any Finance Document with the consent of the Borrower which may not be unreasonably withheld.

Despite anything to the contrary in this agreement, if the Lender transfers or assigns its rights under any Finance Document (which requires the consent of the Borrower), the Borrower will not be required to indemnify the new Lender for any tax deduction or withholding which would not have been required but for the transfer or assignment.

18.5 Notices

- (a) Any notice to or by a party under this agreement must be in writing and signed by an Authorised Officer of the sender.
- (b) Any notice may be served by delivery in person or by post or transmission by email to the party's current email address most recently notified by the recipient to the sender.
- (c) Any notice is effective for the purposes of this agreement upon delivery in person or by post to the recipient before 4.00pm local time on a Business Day in the place in or to which the written notice is delivered or sent or otherwise at 9.00am on the next Business Day following delivery or receipt.
- (d) A communication is given if sent by email at the time recorded on the device at the place of receipt unless the sender received an automated message that the email had not been delivered within four hours after the time that the email was transmitted (as recorded on the device from which the sender sent the email) and will be taken to be signed by the named sender of the email.

18.6 Governing law and jurisdiction

- (a) This agreement is governed by and construed under the laws of the place set out in the Details.
- (b) Any legal action in relation to this agreement against any party or its property may be brought in any court of competent jurisdiction in that place.
- (c) Each party by execution of this agreement irrevocably, generally and unconditionally submits to the non-exclusive jurisdiction of any court specified in this provision in relation to both itself and its property.

18.7 Amendments

Any amendment to this agreement has no force or effect, unless effected by an agreement executed by the parties.

18.8 Third parties

This agreement confers rights only upon a person expressed to be a party, and not upon any other person.

18.9 Precontractual negotiation

This agreement:

- (a) expresses and incorporates the entire agreement between the parties in relation to its subject matter, and all the terms of that agreement; and
- (b) supersedes and excludes any prior or collateral negotiation, understanding, communication or agreement by or between the parties in relation to that subject matter or any term of that agreement.

18.10 Further assurance

Each party must execute any document and perform any action necessary to give full effect to this agreement, whether before or after performance of this agreement.

18.11 Continuing performance

- (a) The provisions of this agreement do not merge with any action performed or document executed by any party for the purposes of performance of this agreement.
- (b) Any representation in this agreement survives the execution of any document for the purposes of, and continues after, performance of this agreement.
- (c) Any indemnity agreed by any party under this agreement:
 - (i) constitutes a liability of that party separate and independent from any other liability of that party under this agreement or any other agreement; and
 - (ii) survives and continues after performance of this agreement.

18.12 Waivers

Any failure by any party to exercise any right under this agreement does not operate as a waiver and the single or partial exercise of any right by that party does not preclude any other or further exercise of that or any other right by that party.

18.13 Remedies

The rights of a party under this agreement are cumulative and not exclusive of any rights provided by law.

18.14 Severability

Any provision of this agreement which is invalid in any jurisdiction is invalid in that jurisdiction to that extent, without invalidating or affecting the remaining provisions of this agreement or the validity of that provision in any other jurisdiction.

18.15 Counterparts

This agreement may be executed in any number of counterparts, all of which taken together are deemed to constitute one and the same agreement.

Naked Brand Group Announces Final Results of Extraordinary General Meeting and Closing of Bendon Divestiture

Divestiture Transforms Naked into Asset-Light Business Positioned to Grow into an E-Commerce Leader in Intimate Apparel Market

SYDNEY, AUSTRALIA – April 30, 2021 — Naked Brand Group Limited (**Nasdaq: NAKD**) (“Naked” or the “Company”), has announced final vote tallies from its Extraordinary General Meeting of its shareholders held on Friday, April 23, 2021 at 10:00 am (Sydney time), at which Naked’s shareholders approved the Company’s divestiture of its Bendon brick-and-mortar operations.

The final tabulation of votes cast for and against the proposal, as well as the number of abstentions and broker non-votes with respect to the proposal, is as follows:

For	Against	Abstain	Broker Non-Vote
118,588,762	2,076,175	776,405	—

With shareholder support, the Company has signed the definitive agreement for the divestiture and simultaneously closed the transaction on Friday, April 30, 2021 (Sydney time).

Justin Davis-Rice, Naked’s Chief Executive Officer, stated: “Today’s final tally and closing of the Bendon divestiture represents a key milestone in Naked’s corporate history. It has been a very long journey with many challenges that our management team had to overcome from an operational and financing perspective. I strongly believe we did what was best for our shareholders and have now positioned Naked with the necessary capital to drive shareholder value in the coming months and years. We have a strong balance sheet, no debt and an asset-light operating model and we see a very favorable M&A environment in e-commerce businesses around the globe. We look forward to the next chapter in our journey and one we believe will be well worth the ride for our shareholders,” concluded Davis-Rice.

Divestiture

On January 21, 2021, Naked announced its plans to undertake a transformative restructure in which it would dispose of its unprofitable bricks-and-mortar operations in order to focus exclusively on the planned rapid acceleration of its e-commerce business. To that end, the Company signed a nonbinding and non-exclusive term sheet to divest itself of its subsidiary Bendon Limited (“Bendon”) to a group composed of existing management of the Company, including Justin Davis-Rice, the Executive Chairman and CEO of the Company, and Anna Johnson, the CEO of Bendon.

On April 30, 2021, final votes were tallied, the shareholder resolution was approved and Naked signed a conditional share sale agreement for the sale of all of the issued share capital in Bendon to JADR Holdings Pty Limited, as trustee for the JDR Family Trust No 2, and Matana Intimates Holdings Trustee Limited, as trustee for the Matana Intimates Holding Trust (together, the “Buyers”), which are associated with Mr. Davis-Rice and Ms. Johnson, respectively. Naked simultaneously consummated the transactions contemplated by the conditional share sale agreement.

The following is a summary of key terms of the divestiture:

- a) The Company sold all the issued share capital in Bendon to the Buyers for NZ\$1.00, subject to adjustment as described below, on the terms and conditions outlined in the conditional share sale agreement. The divestiture has an economic close of January 31, 2021, notwithstanding that the transaction closed Friday, 30 April, 2021 (Sydney time).
- b) The sale price is subject to adjustment based on a target inventory amount and a true up adjustment for Net Cash/(Debt) and Working Capital. The inventory adjustment resulted in a payment by the Company to Bendon in the amount of NZ\$4.8 million. The Net Cash/(Debt) and Working Capital adjustments are to be prepared within 30 business days after completion.
- c) If the Buyers or Mr. Davis-Rice and Ms. Johnson agree to sell the shares in Bendon or its business within three years following closing of the divestiture, the Company will be entitled to a percentage of the net proceeds of the sale, with such percentage being 75% in the first year, 50% in the second year, and 25% in the third year.
- d) The Company is entitled to a tiered percentage of net profits of Bendon and the entities controlled by Bendon for three years commencing on July 1, 2021, with such percentage being 30% in the first year, 20% in the second year, and 10% in the third year.
- e) The Company's wholly owned subsidiary, FOH Online Corp., entered into a management services agreement with Bendon pursuant to which Bendon will provide various management services to FOH Online Corp.
- f) The Company, prior to completion, forgave NZ\$40.4 million in inter-company debt owing by Bendon group entities to the Company.
- g) The Company provided Bendon with a loan for up to NZ\$7.0 million for a fixed term of five years. Interest will be charged at fixed rate of 5%, unless and until Bendon obtains third party senior debt, after which interest will be at a rate of 50 basis points higher than the senior debt. The loan can be repaid early but cannot be redrawn.
- h) The Company paid Ms. Johnson's accrued remuneration and incentive entitlements up to January 31, 2021.
- i) The Company entered into a consultant agreement with an entity controlled by Mr. Davis-Rice, pursuant to which the entity will make Mr. Davis-Rice available to serve as Chief Executive Officer and Chairman of the Company, in exchange for fees of US\$500,000 per year.
- j) The Company has agreed to pay up to NZ\$0.3 million of Bendon's transaction costs.

The conditional share sale agreement is otherwise on terms that are customary for a management buy-out agreement of this nature including the provision by the Buyers of 'reverse warranties' in favor of the Company.

Effects of Divestiture on the Company

As a result of the completion of the divestiture, the Company is now free to focus its development efforts on the Frederick's of Hollywood online business, as well as strategic acquisitions in the e-commerce space that not only complement the Frederick's of Hollywood online business, but provide the opportunity to generate cross business operational synergies. Naked has recently raised capital that the board believes is better deployed in complimentary growth businesses in the high margin e-commerce sector. This could also involve investment in technologies that strengthen the Company's offering and customer experience, that could include but not be limited to the e-commerce platform, body scanning and artificial intelligence. As a result of the divestiture, the Company will be free to invest its capital in developing value rather than funding Bendon losses, or funding expensive capital raises to keep the core Bendon business operating.
